OUR STORY

We are Fotoauto photo booth hire and we create amazing experiences for our clients with our beautiful, open-style and inflatable sleek photo booths. Unlike small cramped photo booths, ours let everyone in on the fun, up to 12 people, and are also downright stylish to boot. Guests pile in and pull their best poses, inspiring each other with increasingly crazy shenanigans!

From creating the gorgeous photo strips to hand selecting the best props and designing beautiful custom backdrops, we love what we do and we care about the details. Our photo booth hire is done different: socially engaging, highly customisable, totally awesome.

FREQUENTLY ASKED

HOW BIG IS THE PHOTO BOOTH?

The inflatable setup is 4x3m and 2.4m in height, and the open air setup is 2.2sqm and 2.2m in height. For diagrams, please see pages 9-10.

WHAT ARE YOUR PAYMENT TERMS?

Before we send your invoice, you'll need to fill out our booking form. Once we receive it, we'll send over your invoice. To secure the booking we require a £150 (non refundable) deposit, then the rest can be paid up to a week in advance if paying through bank transfer, or in cash on the day. If in the case of a last minute booking (within 7 days) we ask for full payment to ensure everything is ready for your special day. We do not accept cheques generally.

IS SETUP TIME OUTSIDE THE PACKAGE HOURS? HOW LONG DOES IT TAKE?

Yes setup time is definitely separate to your package hours so you will get the full time. Setup takes around 30-50mins and we'll arrive around 1hr 30 before the start time.

ARE YOU INSURED AND PAT TESTED?

We have public liability insurance that covers us up to 1 million and our equipment is PAT tested. If your venue asks for this documentation, please send over this info pack as our documentation is at the bottom.

DO WE GET A DIGITAL COPY OF THE PICTURES TAKEN IN THE POD?

Yes! 100 per cent, we can give you a USB, or you can have them sent via email. We can also upload them to facebook or our website, making it super easy for guests to download them. We aim to get the images to you as soon as possible but please allow up to 7 days.

CAN WE HAVE COLOUR OR BLACK & WHITE PRINTS?

Your guests can choose to have coloured, black & white or the new feature on our system Sepia. It is quick and easy to change the settings on our touch screen interface. There is also the option of video messaging and an optional green screen for digital backgrounds.

WHAT CAMERAS AND LIGHTING DOES YOUR BOOTH USE?

Our booth uses high end professional DSLR 700 cameras resulting in sharp quality pictures. We also use photography studio quality Elinchrom lighting and beauty dishes which bathes the subject in light meaning there are no light spots.

HOW DOES THE GUEST BOOK SERVICE WORK?

We print duplicate copies so there will be 1 for your guests and 1 for your guest book. We provide pens, scissors and glue and encourage your guests to leave messages next to their pictures. We will ensure the book is completed to a high standard and we hand deliver it to you at the end of your occasion in perfect order.

DO YOU STAY WITH THE PHOTO BOOTH?

A Fotoauto Operator will attend your event to take care of everything for you. When you hire an Fotoauto Photo Booth you can be sure that everything is in hand.

HOW MUCH DO YOU CHARGE FOR TRAVEL?

Travel is free within 50 miles of our base in Birmingham. A charge may need to be added to events outside of this radius.

WHAT ARE IDLE HOURS FOR?

Sometimes it is not always possible to set up or break down the photo booth safely and without restriction directly before or after an event. For example, if you require the booth setting up at 6pm but do not want it running until 9pm that is fine. However, this would be charged at 3 idle hours on top of the hire costs. Idle hours are charged at £25 per hour.

You need to also be aware that if we are prevented from breaking down at our time agreed, idle time will also have to be charged. So for example if we agree 6pm -10pm but your day doesn't finish 12.00am you will be charged 2 hours idle time.

POWER REQUIREMENTS

We need connection to a standard 13A plug socket within 25m to be able to work. We can and have done events in houses, boats, roof tops and marquees. No place is a silly place just ask.

WHAT IF WE BOOKED A PACKAGE THEN ON THE DAY NEED MORE TIME THAT WE DIDN'T CALCULATE FOR?

That is not a problem at all. If on the day you want more time and we don't have another booking behind yours we can stay on. You will need to give us at least an hours notice and we can take a cash or card payment for the excess time. The money will need to be payable on the hour.

CAN OUR GUESTS VIEW THE IMAGES AFTER THE EVENT?

Yes, we can upload the photos to our website or facebook for you. This makes it easy for your guests to download them, instead of coming to you to request the photos.

WHAT PRINTERS DO YOU USE?

Fotoauto uses thermal dye sublimation printers. These are the same as the top photo processing companies use and are the best and quickest in the business. The prints are fast, touch dry and water proof after 10 seconds.
